Between:

Marai Venkataswamy. .. Plaintiff.

VS

The State of Madras. .. Defendant.

Written statement filed under Or.8 Rule I.C.P.C.

1. The suit is not maintainable in law on merits.

2. The Plaintiff is put to strict proof of all the allegations which are not expressly admitted herein by the defendant.

3. The allegations in para 5 of the plaint that the lorry was in a highly damaged condition and not fit for use as a vehicle is not correct, being highly exaggerated to suit the ends of the Plaintiff. Even at the time of requisition, the vehicle was in disrepair and being totally unfit for immediate use, the necessary repairs and replacements were effected at a cost of Rs.1892/- at Bellary and the vehicle was sent to Arkonam on 21-10-1942. There was no written agreement entered into with the plaintiff. The prescribed hire charges were paid to the owner and the unkeep and repairs were attended to at the cost of the defendant.

4. The plaintiff did not prefer, any claim, any compensation before he took delivery of the vehicle on 5-6-1944, nor did he intimate that he intended to repair and claim compensation thereafter. He did not furnish any estimate for repairs or for spare parts, within a reasonable time for obtaining necessary sanction. He has slept over the matter for more than one year and has now come forward with his highly exaggerated belated and untenable claim.

5. The contention of the plaintiff that he is entitled to the compensation and in case of difference with the appointment of arbitration is not at all tenable.

6. The allegation in para 6 of the plaint are not fully correct.

7. The Government never considered to pay the compensation demanded by the plaintiff as the plaintiff has omitted to state the year in which he bought and the amount. At best the costs of the vehicle at the time of requisition nearly valued at Rs.3650/- and at the time of release it was Rs.1750/-. The owner would have got Rs.1750/- for the vehicle at the time of requisition, as per conditions of P.W.D. The plaintiff, when he took charge of the vehicle, had three new types for his old rotten tyres at the time of requisition. As already been stated, all expenditure towards proper maintenance was met by the Government.

8. The bills for repairs produced by plaintiff cannot now be accepted as they are not capable of being checked and verified at this distance of time. Some of the Bills do not bear any indication that they were given pertaining to this vehicle. The Plaintiff has not stated whether he made use of the lorry after release. No reasons have been stated for the inordinate delay in carrying out repairs and his claim.

9. His claim of new battery is not tenable as the vehicle with the old battery was tendered. The Inspector gave his opinion that the condition of the lorry was poor and the lorry was not in a running condition. The Plaintiff ought to have claimed the full value of the lorry. But he has only claimed repair charges which outweighs the very costs of the lorry.

10. The appointment of an arbitrator does not arise.

11. The Plaintiff is estopped from claiming any compensation.

12. The suit is clearly barred by period of limitation.

13. The suit is highly speculative, vexatious and harassing.

14. The cause of action as stated by the plaintiff is not correct.

15. The defendant is prepared to pay the plaintiff Rs.150/- towards transport charges as already been stated.

16. The defendant is not entitled much less interest also. The suit is false and vexatious to the knowledge of the Plaintiff and has to be dismissed with costs.

Ref:- From the Bd. of Rev. No.W.3506/53-1 d/25-5-53.

The reference from the Board of Revenue on p.1. c.f. may be perused.

2. The motor lorry M.D.B.No.130 belonging to Sri Murari Venkataswamy, a merchant of Hospet, was requisitioned by the Collector of Bellary in his order d/9-6-42 (p.3 (R)) under 75 (A) (I) Defence of India Rules for use in the Aerodrome construction works. The vehicle was actually taken charge from the owner only on 2-7-42 and it was returned to him on 5-6-44. A reference in this connection is invited to the letter d/23-9-49 of the P.M. T.C. (now T.C.) at pages 63-65 c.f. of G.O.Ms.No.129, P.W. d/10-1-51, which sets out the case in detail. It will be seen therefrom that the owner claimed Rs.3,629-3-9 for carrying out repairs to the vehicle and Rs.150/- for transport charges and that the P.M.T.C. only recommended the payment of transit charges as he considered that the claim for repair charges was not admissible. The C.E. P.W.D.(General) also agreed with P.M.T.C.

In July 1946, the owner through his advocate preferred his claim for repairs and transport chages first to the Collector of Bellary, and later in April 1948 to the Govt. of India. The Govt. of India referred the matter to this Govt. After carefully examining the case, this Govt. held the view that the owner was entitled only to a sum of Rs.150/-

p.t.

being the transport charges for his lorry from Tambaram to Hospet and that his other claims for repair charges were inadmissible according to the rules. The request of the owner for appointment of an arbitrator was also rejected - vide G.O.No.129 P.W. d/10-1-51.

Subsequently in April,1951 the owner through his advocate issued a notice in this regard under section 80 C.P.C. The Bd. of Rev. then recommended that thethreatened suit might be awaited. The Govt. accepted the Board's recommendation. The Govt. of India were also informed that this Govt. were advised that, the owner was not entitled to the payment of any compensation in respect of the damage caused to the lorry, that the claim made by him for reimbursement of the repair charges incurred by him was not maintainable and that instructions were accordingly being issued to the effect that the threatened suit might be awaited. They were also informed that this Govt. would make necessary arrangements for the defence of the suit if it was filed.

3. Sri Murari Venkataswamy, the owner of the lorry under reference, has now filed a suit in the sub-court, Bellary against the Govt. for the recovery of an amount of Rs.427-9-0 towards compensation for the damages caused to his lorry requisitioned under the Defence of India Rules. The suit stands posted to 1-7-1953 for filing the written statement on behalf of the Govt. The Collector of Bellary has submitted to the Board of Rev. a copy of the draft written statement preapred by the Govt. Pleader, Bellary for approval.

He has also forwarded to the Board the connected files of his office for reference and return. He has requested that the defence of the suit may be sanctioned and that the draft written statement may be approved and returned to him together with his office files so as to enable him to file the statement in court on 1-7-52.

The Board has requested that the defence of the suit may be sanctioned and that the draft written statement may be approved.

4. A reference is invited to the copy of the ~~plan~~ plaint at (P). As this Govt. have already held the view that the claim of Sri Murari Venkataswami is inadmissible the defence of the suit may be sanctioned and the draft written statement approved. It may be mentioned here that the Collector of Bellary previously reported that the Motor Vehicles Inspector who inspected the vehicle on 5-6-44 only reported that the vehicle was in very poor condition and that he did not mention whether the damages were in excess of fair wear and tear. The draft written statement is in accordance with the decision taken by this Govt.-vide pp.140-141 c.f. (R) and also the note of Legal at p.11.n.f. pf (R).
